Hello

Pennine Domestic Violence Group PDVG is a charity based in Kirklees. We provide advice, support, information and refuge/safe accommodation to victims of domestic violence and abuse. Each year we receive over **7000** calls from people wanting support or advice and last year we supported **1140** victims of domestic violence and abuse.

Current research has found that 130,000 UK children are living in family homes where there is a high risk of serious injury or murder because of domestic abuse. In 2013-14, 85 women were murdered by their partner or ex-partner in England and Wales. In 2015/16 about 1 in 4 women seeking refuge were declined due to lack of space and or resources.

Having access to refuge is absolutely critical to protect victims and their children from serious harm or death. The support victims receive whilst in refuge enables them to safely move on to a life free from abuse.

The good news is, we are setting up a new refuge. This means more victims of domestic violence and abuse will get the right support when they need it. But we need your help.

We know how hard it is for victims and their children to have to leave their own home and everything that is familiar.

Please help us make our new refuge not only a place to be safe but a place that is welcoming, comfortable and well equipped. We are asking you for help to furnish the refuge. You can help us with donations of money, maybe fundraise or by donating new products. Please see our Wish List.

If you can help us or you want more information please contact:
